**Date:** Wednesday, March 12, 2014 7:59:13 AM

---

Good Morning Chris,

I'd like to know if you have any comments on the referenced report (I do not considering recent meeting discussions; it seems pretty straight-forward). If you do not plan to comment, then I can finalize the document and submit it as "Final" in the KDHE-BER Admin record.

Thanks!

John K. Cook, P.G.  
Professional Geologist  
Kansas Department of Health and Environment  
Bureau of Environmental Remediation  
Site Restoration Unit/Remedial Section
